Monday, May 6, 2024***

Join your Cortland Park friends for a fun day out to Grounds for Sculpture. Depart the community at 9:00 a.m. If you are not from Cortland Park you will be notified of your pick up time.

Grounds For Sculpture (GFS) was envisioned as a place to exhibit sculpture and as a garden and arboretum. The design included formal and informal aspects. Paved terraces, pergolas, and courtyards juxtaposed natural woodlands, ponds, and bamboo groves. Expanses of lawn were delineated by sculptured rose-covered berms.

The sculpture park has expanded to 42 acres containing nearly 300 contemporary sculptures across the ever-changing landscape. Fingers crossed for great weather!!
